Sir,

I have the honour to bring to your kind notice and sympathetic consideration the following representation.

As an Officer lent from P W.D , I am granted only a fixed conveyance allowance of Rs.75/- per month by the Trust Board in addition to my actual Departmental pay You are, no doubt, aware that the executive Sub-Division Officers of the Public Works Department are entitled to a Travelling Allowance of Rs.166-11-0 including the 33-1/3% enhancement that Government were pleased to sanction, on account of the present day difficult economic conditions of living The nature of work in the Trust Board is much the same as in any other P W.D. Sub Division, though local, involving maintenance of a proper conveyance like a motor Car for the discharge of Government duties efficiently for which the conveyance allowance granted is inadequate.

Submitted
The representation of the Assistant Engineers is quite legitimate and requires favourable consideration The matter may be placed before the Board
RL
28/11/67

Also, it is usual for lent Officers to be granted a duty allowance suitably fixed depending on the special nature of work and the locality.

In view of these facts, I request, that

that (1) the Conveyance Allowance be suitably enhanced by the usual 33-1/3% enhancement, and

(2) that a suitable duty allowance be sanctioned.
